Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 06 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunshine and showers Wednesday, some heavy and perhaps thundery.

This Evening and Tonight:
Breezy in the east into the evening, with some late sunny spells developing, although the west will be more prone to cloud and a few further showers. Similar overnight, with a few further showers passing as winds ease. Minimum temperature 9 deg C (48 deg F).

Wednesday:
On the cloudy side to start, but progressively brightening up to sunny spells and further showers, with some of these showers potentially heavy and thundery later. Maximum temperature 21 deg C (70 deg F).

Outlook for Thursday to Saturday:
Changeable, with further sunny spells but also showers. Low cloud perhaps arriving in the east Saturday, clearing but perhaps allowing thundery showers generally. Temperatures mostly near normal, with light winds.
